

BDA UNIFORM, ORDER FORM & INFORMATION 2026

STUDENT NAME: _____

DATE OF ORDER: _____

BDA will be continuing with our dress code for all classes and all students will be expected to dress accordingly. It is important that all students are appropriately groomed for all classes. Grooming is an important part of dance and it teaches students discipline and pride in their appearance.

Hair MUST be up for all classes including acrobatics and a classical ballet bun is compulsory for all ballet students.

Our clothing range is extremely dance friendly and all students proudly wear the school uniform. Our main objective is to encourage team spirit and a feeling of belonging by introducing a uniform. Students are welcome to wear Showcase T-Shirt's from previous years to class and any item from our BDA uniform selection. It would be wonderful for all students to respect the uniform code and attend classes neatly groomed.
